Diego Guevara

Business & Information Systems Student · NJIT

diego.guevara107@gmail.com · LinkedIn · github.com/dlg309 · Portfolio & project evidence

EDUCATION

New Jersey Institute of Technology Expected May 2028
B.S. in Business and Information Systems

SKILLS & CERTIFICATIONS

Software & data: Python, JavaScript, HTML, CSS, React, FastAPI, MATLAB, PostgreSQL

Tools & practices: Git/GitHub, Linux, Figma, requirements gathering, workflow mapping, API testing

Certifications: AWS Certified Cloud Practitioner; Microsoft Azure Fundamentals

EXPERIENCE

NJIT · University Advancement & Development Jul 2025–Present
Department Assistant

- Maintain database records, investigate discrepancies, and support reporting and document workflows.
- Built ZipHeatMap to help the department see donor concentration by ZIP code and present geographic patterns to leadership.
- Support event logistics, document digitization, and technical equipment setup.

Essex County Board of Elections Nov 2023–May 2024
Poll Worker / Election Administrator

- Prepared voting equipment, verified voter records, trained staff on procedures, and escalated operational issues.

SELECTED PROJECTS

ALPFA NJIT App · Contributor · Partner's repository
Expo · React Native · TypeScript

- Added E-Board profiles and headshots and committed loading-screen layout and dependency fixes for a collaborative chapter app. My partner owns the repository.

ZipHeatMap · Application Developer
MATLAB · Departmental operations tool

- Implemented ZIP-code validation, coordinate matching, state filtering, heat maps, and exports for department presentations without exposing donor records publicly.

Tempo · Collaborative Planning Application · Rebuild source
PostgreSQL · FastAPI · Next.js rebuild

- Configured PostgreSQL connectivity and checked FastAPI operations in the earlier version. Reviewed planning and calendar work with coding-agent assistance in the rebuild.

LEADERSHIP & INVOLVEMENT

ALPFA NJIT · IT Committee Member / Intramural Team Captain · Jan 2026–Present
Help define requirements and coordinate chapter technology work.
NJIT Legacy Leaders · Member · Volunteered at Student-Alumni Service Day.

LANGUAGES

English and Spanish · New Jersey State Seal of Biliteracy in Spanish
